Sunday Morning Bible Study

Through our Bible Study groups on Sunday mornings, we offer a safe and welcoming community to youth and help form and transform youth to become messengers of Love in their community and world. This fall, we will be participating in a series **Becoming Like Christ: Grounding Youth in Jesus**. This series will help us think more deeply about who Jesus is and what it means to follow him with our lives. Extra bonus... sometimes there are doughnuts :)

This year, Highland's youth will begin a new series on Wednesday called **My Story** where youth will be invited to share their story and hear others' stories. On the last Wednesday of every month, we will all gather together for an Emmaus Gathering, where we will weave our individual stories together to find out what our story is as a youth group and how that story intertwines with God's Story of Love in our world!

Songs of Faith

Music reaches the soul and connects with the Spirit in a unique and powerful way. The music program at HBC is dedicated to incorporating all voices in sharing the songs of faith.

Youth are invited to participate in the songs of faith through two specific ways. In our **Youth Handbell Choir**, all youth are invited to join (no longer just middle school girls!). In **Youth Choir**, youth are invited to join their voices and instruments to express and share their faith. Both groups will be invited to share their music at our monthly Emmaus Gatherings on the last Wednesday of every month!
