** If your child has medication that must be taken daily or if there is medication for emergencies (such as bee stings, or peanut allergies) please leave medicine in original container in a Ziploc bag with clear written instructions, and give medication to Renee when you check in at camp. Renee or another designated chaperone will be sure it is dispensed at the appropriate time. We will have basic first aid supplies with us including Tylenol, Advil, Pepto Bismol, Immodium AD, etc.

Activities to Bring:

- favorite board game or cards (this is for free time in the evening, please send at least one!)
- favorite G-rated movie (this is for free time in the evening, please send only one!)
- favorite story picture books (this is for bedtime/winding down at the end of the day, please send two!)

REMEMBER:

- No electronics (DS, phones, iPads, smartwatches, etc.) at camp for children
- Pack lightly! And label *everything*.
- Don't pack medicine in your suitcase!
- Booster seats are needed to travel to the pool. Plan to leave it when you drop off your child.
